Moved by Alderman Conroy, seconded by Alderman Augie, that report of water committee be adopted.

Carried: Alderman Wroth, Augie, Conroy, Isherwood, Coen and Clarke voting "Yes."

Engineers J. N. Gladding and Arno Hunting, to whom was referred bids for the purchase of motor fire apparatus, submitted lengthy report in regard to same, which follows at end of today's record.

Motion was made to accept the report of the board of health.

Petitions were read which requested the placing of electric street lamps at the corner of Louis Avenue and Williams street. Same was referred to the building, light and fuel committee.

The following resolution was proposed:

"Resolved, that the mayor be requested to direct the citizens' committee who have been investigating the various forms of commission government to make an immediate report, and that upon the rendering of that report a special meeting of this council shall be called to consider with the said committee the preparation of a bill embodying what is desired by the council and the committee along the lines of commission government, to be presented to the incoming legislature just elected."

Moved by Alderman Wroth, seconded by Alderman Clarke, that resolution be adopted. Carried.

The following city officers presented reports for the month of October, 1911, and the same were disposed of as follows:

Clark's report referred to finance committee.

Marshall's report referred to police committee.

Chemist's report referred to the board of health.

Building, planning and electrical inspector's report referred to the building, light and fuel committee.

Chief of fire department report referred to fire committee.

Police committee reported in matter of public hitching grounds, and stated that Col. W. S. Howell had agreed to lease a portion of the Albuquerque Eastern terminal grounds east of the railroad tracks on Tijeras Avenue for the sum of \$1 per month, and recommended that the proposition be accepted and that a space 150 feet deep by one block in length be fenced and a suitable hitching place put up.

Upon motion council adjourned.

J. W. ELDER, Mayor.

JOHN B. McMANUS, Clerk.

In damp, chilly weather there is always a large demand for BALLARD'S SOFT LINIMENT because many people who know by experience its great relieving power in rheumatic aches and pains, prefer to apply it at the first twinge. Price 25c, 50c and \$1.00 per bottle. Sold by all druggists.

Both the buttons and the tabs are exceptionally neat designs.
